PROFILE

Background

“ANWASH SURGICAL” is owned by Mr. Anjum Waseem Sherazi. Who has been in the line of business since 1975. We have extensive experience, and have gained a good repute in the field of export. Now we, the third generation, are successfully running our business.

Products and Services

We do manufacture and export wide range of Surgical Instruments specialized in Surgical Scissors & Bone (Orthopedic) Surgery instruments. Besides producing standard instruments we also offer our services to produce any specific instrument for our valued customers.

Dedication to Quality

We assure you of superb services and individual attention at all time, our policy is to achieve excellence through quality performing in meeting our customers’ requirements. Throughout the whole production process quality is maintained by watchful in-line supervision, regular and final inspection. Our production units employ the highest quality of raw materials from Pakistan, Germany, France and Japan. ANWASH SURGICAL is certified by ISO 9001:2008, CE cGMP (USA) these gurantee that our instruments are safe and fit for their intended use.

Warrantee

All of our Products are 100% guaranteed against any defect in raw material and workmanship. If any instrument that prove to be defective, when used for its intended purpose, will be replaced.
